**INCRETE CONCRETE STAIN SEALER** is a pigmented, 100% acrylic sealer designed specifically for application on concrete and all other masonry surfaces. Available in both solvent and water-base, there is a formula that's right for either interior or exterior applications. **INCRETE CONCRETE STAIN SEALER** protects and enhances the surface of any plain or decorative concrete while providing an easy-to-clean surface. Restore and beautify unsightly or dull concrete surfaces or add stunning color and accents to new concrete surfaces. **INCRETE CONCRETE STAIN SEALER** comes in 30 standard colors for all environments. Custom colors available in all formulas.

## CUSTOMER SUPPORT

- **Technical Support** – Available for product selection and application questions.
- **Product Assistance** – Locate a contractor or distributor. Support literature and in-depth written application instructions.
- **Field Specialists** – Trained field specialists provide consultations and recommendations.
- **Design Consultation** – Complete with showroom and training facility.
- **Seminars** – 2-day seminars include classroom instruction on project estimation and marketing and sales tactics to grow your business all year long with hands-on product training (also available in Spanish). On-site distributor training and webinars by request are also available.
- **Trade shows** – Industry events, expos and conferences offering industry-related instruction.
